MOOSIC

BY THE MEESEEKSES

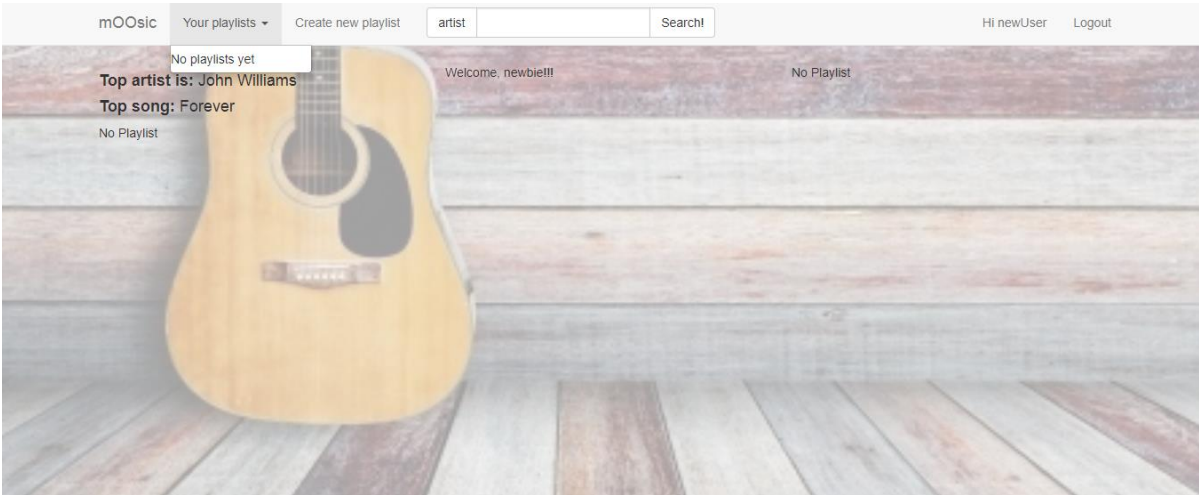

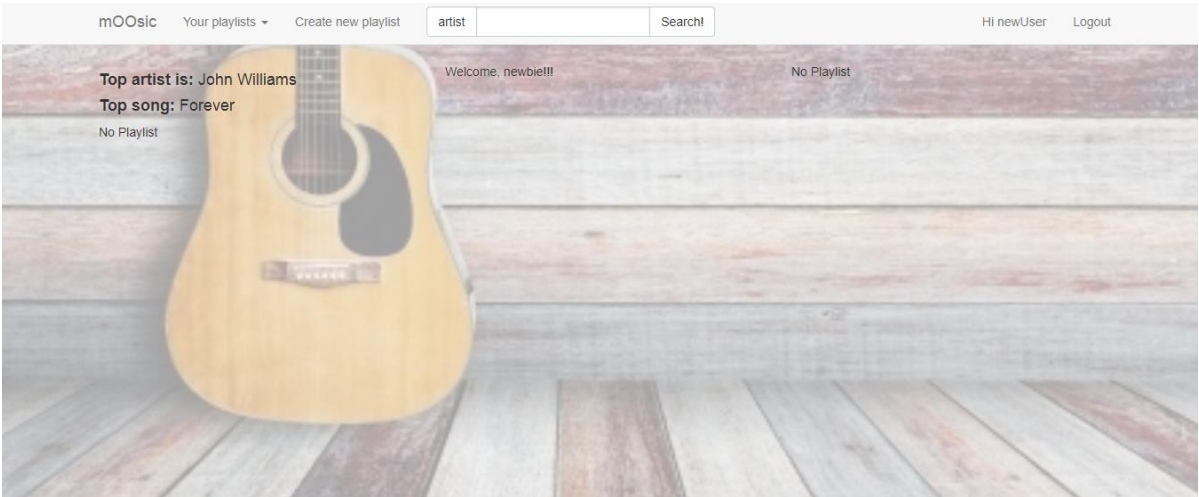

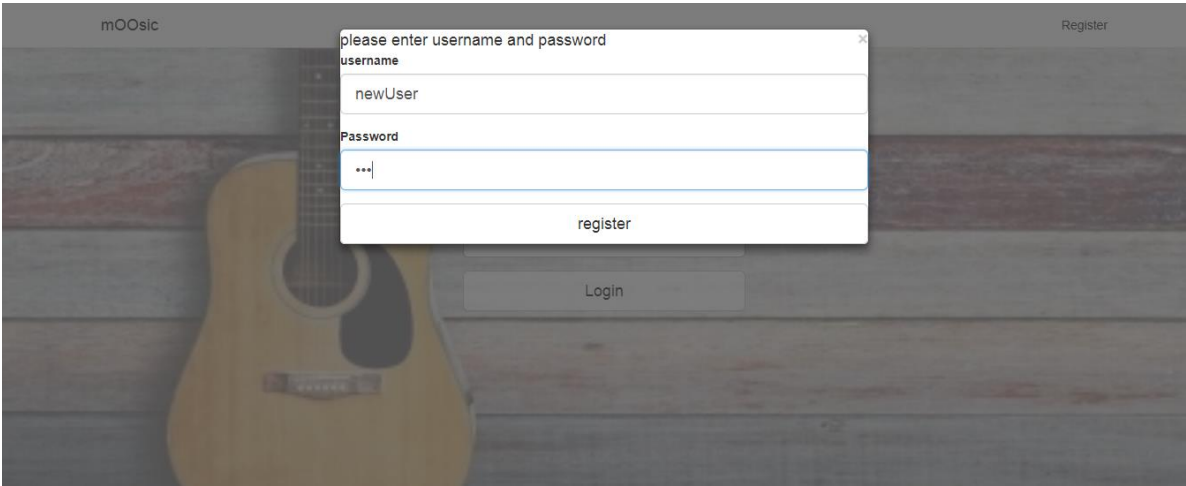

1 APPLICATION OVERVIEW

MOOSic matches for its users a playlist according to their mood and inserted tag. Our users insert mood by danceability and energy scale and a tag (e.g. love, happy, rock etc.), and get a playlist that fits to it. They can open the lyrics through our application, open the song they choose to hear in a web browser and sing with it! In addition, they can search a name of their favorite artist and find a bunch of his\her songs and their lyrics, they can also add those songs to a specific playlist. Our application also recommends its users on artists and tags based on their playlist and other users' playlists and shows the name of the top artist and song based on all users' playlists.

Donde Estas, Yolanda?

Pink Martini

Donde estas, donde estas, Yolanda

Que paso, que paso, Yolanda

Te busque, te busque, Yolanda

Y no estas, y no estas Yolanda

Donde estas, donde estas, Yolanda

Que paso, que paso, Yolanda

Te busque, te busque, Yolanda

Y no estas, y no estas Yolanda

Tus ojos me miraron

Tus labios me besaron

Con ese fuego ardiente

Ardiente de mujer

La luz de tu mirada

El fuego de tus labios

Flecharon a mi pecho y de ti me enamore

Donde estas, donde estas, Yolanda

.....

Good Feeling
Violent Femmes

Good feeling, won't you stay with me just a little longer?
It always seems like you're leaving when I need you here just a little longer
Dear lady, there's so many things that I have come to fear
Little voice says I'm going crazy to see all my worlds disappear
